

## Contact:

**Name:** Daniel Maxwell  
**D.O.B:** 18th July 1980  
**Email:** dan.maxwell1@gmail.com

**Address:** 4 Chess Close, Aylesbury,  
 Bucks HP21 9NE  
**Tel:** +44 (0) 1296 381 665

## Personal Statement:

I am a loyal, honest, enthusiastic, motivated, and hardworking self-starter who is keen to expand in the work environment. I enjoy working under pressure, to tight deadlines, like to be challenged and pushed to my limits. I am always looking to gain new qualifications and experience. My knowledge of design related programmes and packages is extensive.

## Qualifications:

'91 - '96 9 x GCSE's  
 '96 - '98 National Diploma in Photography  
 City and Guilds in Desktop  
 Publishing and Digital Imaging  
 '98 - '00 Higher National Diploma in  
 Graphic Design

## Programs/Languages:

I have an extensive working knowledge of the following programs and languages: Photoshop, Quark, Illustrator, Fireworks, InDesign, Dreamweaver, HTML and CSS. A good working knowledge of PHP and basic experience with Flash and Java Script.

## Interests:

I am a keen sportsman and my main sporting interest is Rugby. I have played for 17 years for my local team, as Captain in more recent years. I am also involved in the behind-the-scenes aspect of the club including assisting in the training of some of the junior sides.

## Career History:

**Dec '08 - May '09 : Technojobs.co.uk**  
 Working for Technojobs I have been able to develop my back end skills working on large database driven websites using HTML, PHP and CSS. My time at technojobs has wetted my appetite to learn more coding languages. It was with regret that I left Technojobs due to redundancy.

**Sept '06 - Date : Freelance**  
 Since going freelance I have been working on a wide range of projects both print and web based. Recent projects have included posters, flyers and invitations for council based sports projects, adverts and logos for Estate agents and websites for travel agencies. I have also been freelancing for, amongst others, my previous company Second2 continuing in a similar role as before.

**Jun '04 - Sept '06 : Second2**  
 In this job I had the chance to take my web design skills to the next level. Working on varied web based projects ranging from web sites for Toshiba to Eshots for smaller technology based resellers as well as animated web banners and adverts. However I continued to designing for all types of print projects.

**Jul '03 - Jun '04 : PixelStorm**  
 PixelStorm was where I honed my design skills and refined my technical abilities. I worked on design projects large and small including a great amount of detailed packaging and complicated brochures. Whilst at PixelStorm I also had the chance to improve my web design knowledge

**Mar '00 - Jul '03 : Image House**  
 Image House is where I gained my first few years of creative expertise in the Graphic Design industry. I was a key member of a small team producing top quality design and art work for large multi-national blue chip organisations, eg. Kodak, Tefal, Bausch & Lomb, Glaxo Welcome, Tyco Healthcare and many others. I designed and produced material for major high street multiples, packaging, corporate re-branding, brochures, literature, advertisements, theatre scenery and various other projects. I am also experienced in large format design print and finishing for exhibition requirements.
